Unity!

by Patsy Hallum

"But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth; for the Father seeketh such to worship him. (John. 4:23,K.JV.)

There is a lot of controversy among Churches about how to worship. God wants us to worship as the entire Bible tells us, not just pick one verse and go by it. Unity is the main thing He wants. We need to quit fighting about how to do it and just do what the Bible says.

We were worshiping in song at my church one morning and Ms. Sapp saw a vision. "I saw Jesus in high priest dress. Jesus walked up and down the aisles, smiling slightly, saying "You haven't seen anything yet. Breakthrough is coming through the cracks and doors that have been opened even a little bit. God isn't through with our country. He's going to heal and clean out what Satan has put in our government. But, we have to put the Word to work, praying, speaking the word, unlocking the spirit realm; believing God's Word."

Jesus is trying to get the same message out to all the churches, no matter what the name is over the door. A lot of them turn Him away, preferring to go by their own rules, not Gods. Please, check what your Pastor is preaching with the Word, Jesus is our shephard, follow His voice. God is the Holy Spirit that gave us the Bible, our guide for life.
