## The 10 Commandments Of Finding True Love By Pastor QT Nyathi

### **#1. Thou shalt search according to the Book, not playboy magazines.**

Remember, God started this love business, not Hollywood. So use His solid reliable rule book as a compass, not Tinseltown's hollow unreliable publications.

### **#2. Thou shalt not bring old garbage into a new love hunt.**

Dragging in stinking old relationships into a new partner-search spoils your love broth. Let bygones be bygones.

### **#3. Thou shalt search using the inside-out approach.**

Inner enduring qualities keep a relationship (and marriage) not fleeting outward qualities. Don't let broad shoulders or sexy curves derail your love quest.

### **#4. Thou shalt search for a human being, not an angel.**

Look for a mature person not a perfect human being without blemish. Even among the celestial beings class there were some angels that sinned.

### **#5. Thou shalt not search aimlessly without any clear standards to guide thee.**

If you aim at nothing you'll hit it every time. Have clear and specific requirements to direct your search.

### **#6. Thou shalt search leisurely.**

Don't rush your love search otherwise you'll crash head first. Take your time; this one decision will affect the rest of your life like no other.

### **#7. Thou shalt search for commitment not just chemistry.**

Commitment, not chemistry, makes an enduring relationship. Unions based on good chemistry only blow up as the chemical composition heats up due to the pressures of life.

### **#8. Thou shalt not spurn good old counsel.**

Double check your intentions with advice from trusted mentors around you. Be humble enough to listen objectively and accept the naked truth.

### **#9. Thou shalt not be obsessed with dudes or damsels.**

If you become too preoccupied with eligible bachelors or spinsters you'll attract love predators. Prioritize your relationship with Jesus instead as He'll always be there for you.

### **#10. Thou shalt seek divine assistance in thy search.**

Don't forget that God wants you to meet that special person. In fact He is busy engineering circumstances in order to hook you up, so stay in touch with Him.
