Faith Is A Growing Experience
by Stephen Vattimo

***“Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything”.
(James 1:2-4)***

Faith is a growing experience
Can't you feel the pain?

Faith grows when God causes our self reliance to collapse
under the weight of a stormy trial.

Faith grows when all we can do to survive
Is to place our self into the arms of God to carry us through.

Faith is a growing experience
Thank You Lord for the growing pains.
