[OUR NATURAL STATE](#) By Wangari Murathe

It is true that we are prone to be selfish; do what feels good to us, what makes us more powerful, or what makes us rich. But this is not our natural state. It is a fallen state. [Read More](#)

7. [Guilty As Charged](#)

By Grace Tom-Lawyer

With so many ill-effects why do we still engage in gossip? First of all, it is pleasurable. Something about human nature wants to know all that is not well with the Joneses. This may be linked to jealousy. Resentment and unforgiveness often serve as baits for gossip. [Read More](#)

. Growing in faith – With God everything is possible

Faith is the lack of fear or doubt that we will get what we hope for. The Bible teaches that it is the complete trust, assurance or confidence in the word of God. There is no human being with perfect faith. However Jesus said that if we have faith the size of a mustard seed we can move mountains.
